

**WONDERFLOOR®**  
Vinyl Flooring

*Safety*

*Flooring that combines safety,  
durability and strength*

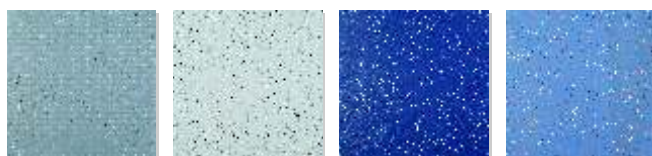

## Specially designed to provide extra grip for safe movements and high wear & tear resistance

The Wonderfloor SAFETY flooring is the ideal flooring designed for a long life with high wear and tear resistance, manufactured with "Multi-Layer Technology", this flooring is used in buses, metro coaches, trains and factories etc. for handling heavy traffic with extra grip. SAFETY flooring is available in "1.5 mm / 2.0 mm thickness" in various ranges of design patterns and colours such as embossed patterns, mosaic with quartz patterns, etc.

WONDERFLOOR- the world class vinyl flooring is a quality product from RMG Polyvinyl India Limited, an ISO 9001:2008 system approved company. We are the largest manufacturer & exporter for PVC floor coverings, films, sheeting and artificial leather. We manufacture a wide range of vinyl flooring in the state-of-the art plant & machinery equipped with latest technology and optimum quality control. We have a wide range of distribution network.

#### MAINTENANCE

- Do's :
- After laying of flooring, the surface should be cleaned daily with damp mop and weekly or fortnightly with soap solution
  - Prevent point load indentation by covering your furniture legs with rubber stopper caps.
  - To remove stubborn stains, rub the affected area immediately with a soft coir brush or fine steel wool (No. 00 or 000) soaked in a warm soap solution.
  - Scuff marks on the floor can be removed with little application of diesel.
  - Use door coir or suitable mats to minimize accumulation of dust on Wonderfloor Vinyl Flooring.
  - Use water to remove any chemical spill on flooring.
- Don'ts :
- Do not use any strong detergent, harsh cleaning agent and dry steel wool.
  - Throwing of lighted cigarette butts or match sticks on the floor should be avoided as it could lead to burn-marks on the floor.
  - Do not drag any heavy object or furniture on the flooring to avoid scratches on the floor.

All products as per EN standards
